texto

Julian Montenegro was born in 1999 in Bogotá, Colombia. When he turned 5, his parents had his younger sister. Julian learned to ride a bicycle at the age of 6. He attended a school very close to his house. When he was 7, he received a dog named Luna as a gift. He enjoyed taking his dog for walks around the city with his parents.

In school, he liked playing soccer and video games. Julian completed his schooling in 2016 and started studying at SENA. He worked for a medical company. Julian learned to play the guitar when he was 19, and when he turned 22, he adopted two more pets.

And he lived his childhood in the southern part of the city.

In 2023, he began studying again to fulfill his goals.

That year, he got married and started his own household.
